

## The Board's Philosophy:

Holding our offices and our actions as a Board to a higher standard as we endeavor to fairly and judiciously enforce the Veterinary Practice Act and the Act's associated rules and regulations.

Striving to improve the practice and management of veterinary medicine to benefit the Board's constituency comprised of:

1. the public;
2. licensed veterinarians;
3. registered veterinary technicians;
4. bovine artificial insemination technicians;
6. pregnancy diagnosis technicians;
7. euthanasia technicians;
8. euthanasia instructors;
9. veterinary facilities; and
10. sheltering facilities.

Expecting excellence in quality of services extended by the Executive Director and staff in the daily operations of the Board office.
